

Shot Placement

MAKE A CLEAN HIT

K-33

INTERNATIONAL BOWHUNTER EDUCATION PROGRAM

WHEN TO SHOOT! WHERE TO AIM!

MAKE A CLEAN HIT!

INSTRUCTIONS - These deer are all within 30 yards. Your bow weight is between 40 and 45 pounds. With your pencil place a dotted line where you think the vital area (lungs, liver and heart) is located and mark an "X" where you would prefer to place your arrow.

PICK A SPOT!
